

GEM360[®]

ENERGY STORAGE

GEM 360 is a supplier of commercial and industrial equipment. Our product lines include:

- Standard and custom ISO containers
- Trailers, dry vans, reefers
- Fabricated housings to enclose work & personnel processes
- Containerized battery energy storage systems (CBESS)
- Electrical power generators
- Water treatment systems
- Power distribution equipment

Our worldwide client base includes end users, manufacturers, EPCs, distributors, and general & sub-contractors with interests in all levels of public, private, civilian, military and government market segments.

GEM 360's product lines include standard and custom ISO containers and enclosures. Typical product applications include:

- Power Generation
- Energy Storage
- Power Distribution
- Water Treatment

GEM 360 is both strategically and operationally aligned with partners to provide services and custom products that are unmatched. GEM 360 current generator and services include:

- Generator Rentals
- Service
- Backup Power
- Portable Power Generation
- Remote Monitoring

CONTAINERIZED BATTERY ENERGY STORAGE SYSTEMS (CBESS)

Containers Can Be Outfitted With Optional
DC & DC to AC Mgmt. Equipment

GEM 360 specializes in high access/high payload ISO shipping containers, high voltage/high amperage DC controls & combiners, and specialized, high performance cooling solutions for the most demanding of stored energy systems. We can also offer products in life safety, fire detection & suppression, racking, and electrical support products such as battery management systems (BMS), inverters/convertor technology, transformers, and auxiliary electrical.

CONTAINERIZED BATTERY ENERGY STORAGE SYSTEMS (CBESS)

40HC 800KW/524KWH
Lithium-Ion Battery

40HC 1MW Lead Acid Battery

20GP 65KW Flow Battery

40HC 500KW Lead Acid
